ABOUT US

The Nigeria–Benin Chamber of Commerce and Industry (NBCCI) is a bilateral business membership organization established to promote trade, investment, and economic cooperation between the Federal Republic of Nigeria and the Republic of Benin. The Chamber serves as a structured platform for businesses, institutions, and investors seeking credible partnerships and practical support for cross-border commercial activities. NBCCI was created to strengthen the Nigeria–Benin trade corridor by bringing together private sector leaders, policymakers, border stakeholders, and development partners to address barriers to trade and unlock new opportunities for growth. Through coordinated advocacy, business facilitation, and institutional partnerships, the Chamber works to improve the ease, transparency, and efficiency of doing business across both countries.

The Chamber provides services in trade facilitation, market entry advisory, business matchmaking, policy advocacy, and capacity building. It also organizes trade missions, investment forums, and stakeholder engagements designed to connect enterprises, expand market access, and encourage responsible private sector participation in regional integration. With a governance structure driven by its Board and supported by a professional Secretariat, NBCCI operates on principles of transparency, collaboration, and mutual economic benefit. Its long-term objective is to become the leading bilateral chamber platform for Nigeria–Benin commerce and a recognized voice for cross-border business development in West Africa. NBCCI is committed to building trust, enabling opportunity, and advancing shared prosperity between both nations.

MISSION

To promote cross-border trade, advocate for private sector development, enhance regional integration, and support businesses in navigating policies, markets, and opportunities between Nigeria and Benin.

VISION

To become the leading bilateral Chamber of Commerce in West Africa, fostering robust economic relations and mutual prosperity between Nigeria and Benin.

OBJECTIVES

- Promote and facilitate trade and investment between Nigeria and Benin.
- Advocate for favorable trade policies and business environments.
- Support members through information, networking, training, and capacity building.
- Partner with governmental, regional, and international institutions.
- Organize trade missions, exhibitions, and economic forums.
- Enhance border trade facilitation and regional economic cooperation.

OUR SERVICES

- **Trade Facilitation Support**

Guidance and intervention on cross-border trade processes, documentation, and compliance requirements.

- **Business & Investment Linkages**

Matchmaking between Nigerian and Beninese businesses, investors, and strategic partners.

- **Policy Advocacy & Government Liaison**

Representation of member interests with customs, border agencies, MDAs, and bilateral institutions.

- **Market Entry Advisory**

Practical support for companies entering Nigeria or Benin markets, including regulatory and operating guidance.

- **Trade Missions & Delegations**

Organization of bilateral trade missions, business visits, and corridor-focused delegations.

- **B2B Networking Platforms**

Structured networking forums, business roundtables, and sector meetups.

- **Border & Corridor Engagement**

Stakeholder coordination with border management and security agencies to improve trade flow.

- **Training & Capacity Building**

Workshops and executive sessions on export readiness, customs procedures, and regional trade frameworks.

- **Dispute & Compliance Advisory**

Mediation support and procedural guidance on cross-border commercial and regulatory issues.

- **Research & Trade Intelligence**

Reports, briefs, and updates on Nigeria–Benin trade opportunities, risks, and regulatory changes.
